

# AUTISM AND EATING

## INVITATION TO TAKE PART IN RESEARCH

We are conducting an anonymous online study to investigate eating behaviours in adolescents and adults with and without Autism Spectrum diagnosis.

You can take part if you are over 16 years old and whether or not have a diagnosis of **Autism!**

All that is required of you is that you complete our anonymous online survey asking questions about your eating behaviours, levels of autistic traits and well-being, which takes approximately 45 minutes to complete. Please follow this link to take part in the survey:

[https://edinburgh.eu.qualtrics.com/jfe/form/SV\\_0Sww40WmwvApHEi](https://edinburgh.eu.qualtrics.com/jfe/form/SV_0Sww40WmwvApHEi)

As a thank you for participating, you will be able to enter a prize draw to win £50 Amazon e-voucher.

This project is being supported by the Department of Clinical Psychology at the University of Edinburgh and it has been reviewed and has received ethical approval from the Research Ethics Committee in the School of Health in Social Science.

If you have any further questions about the study, please contact the lead researcher Hasan Huseyin Ates by email at [hasan.ates@ed.ac.uk](mailto:hasan.ates@ed.ac.uk)
