

Do you enjoy playing a musical instrument or singing and are you autistic?

If so, would you be interested in taking part in a research project to find out more about your experiences?

About the study

This study wants to find out about musical experiences involving concentration and focus from young people while playing a musical instrument.

Who can take part?

Autistic young people with a formal diagnosis
Aged 11-18

What will taking part involve?

You will be asked to fill in a short 10 minute questionnaire about playing a musical instrument or singing

What to do next?

**Ask your parent or guardian to contact
Natalie
Details are below**

**To take part and for more information
please contact**

Natalie Cairns-Ratter, PhD student at
University of Roehampton
