

Parents of Children on the Autism Spectrum We need your input!

Autism Research

Calling all Parents of Children with Autism (ASD)

Help us learn more about:

How parents understand autism and the individual characteristics of their children on the autism spectrum

Are you?

- **Over 18 years old**
- **Have a child or adolescent with an autism (ASD) diagnosis**

How will you help?

We would like to invite you to participate in this research project by completing an online questionnaire that will take approximately 20 minutes. Navigate to the **URL** below to find more information about our research and to take part.
